

Summary of Major Government Funds for the Social Sector (As at end November 2020)

Social Innovation and Entrepreneurship Development Fund (SIE Fund)

Responsible B/D: Efficiency Office

Main objectives: To establish or support schemes and experiments with a view to attracting, inspiring or nurturing social entrepreneurship to develop innovations that aim at creating social impact and build social capital for supporting poverty relief in Hong Kong

Eligibility: All legal entities (plus individuals for idea generation and prototype projects)

Nature of fund: Grants and matching grants

Funding ceiling per application: Not pre-determined

Maximum funding period: No pre-defined period

Profit handling: Allow distribution of not more than 35% of annual distributable profit from the project

Stages in business or project cycle: Idea generation, prototype, start-up and scale-up

Website: www.sie.gov.hk

Enhancing Self-Reliance Through District Partnership Programme (ESR)

Responsible B/D: Home Affairs Department

Main objectives: To promote sustainable poverty prevention and alleviation efforts at the district level that help enhance self-reliance and social integration of the socially disadvantaged groups, by providing seed grants for eligible organisations to set up social enterprises

Eligibility: Organisations registered under the laws of the Hong Kong Special Administrative Region (HKSAR) which are charitable institutions being tax-exempt under section 88 of the Inland Revenue Ordinance; and Organisations registered under the laws of the HKSAR which are non-profit-making organisations or social enterprises established for at least one year

Nature of fund: Grants

Funding ceiling per application: \$3 million

Maximum funding period: 3 years

Profit handling: Allow distribution of not more than 20% of annual distributable profit from the project with prior approval of the Government and upon fulfilment of certain conditions

Stages in business or project cycle: Start-up and scale-up

Website: www.esr.gov.hk

Enhancing Employment of People with Disabilities through Small Enterprise Project (3E Project)

Responsible B/D: Social Welfare Department

Main objectives: To enhance the employment of persons with disabilities through market-driven approach and direct creation of more work opportunities through the payment of grants as seed money and to support the creation of small enterprises/businesses to ensure persons with disabilities can enjoy genuine employment in a carefully planned and sympathetic working environment

Eligibility: Organisations registered under the laws of the HKSAR which are charitable institutions being tax-exempt under section 88 of the Inland Revenue Ordinance (Note: Either receiving subventions from Social Welfare Department, or actively engaged in welfare and charitable activities for at least two years before the submission of the application.)

Nature of fund: Grants

Funding ceiling per application: \$3 million

Maximum funding period: 3 years

Profit handling: Should not be profit-making or 100% reinvestment of profit into the project

Stages in business or project cycle: Start-up
