

BEHub

Social Innovation and Entrepreneurship Development Fund Innovative Programme

Application Period

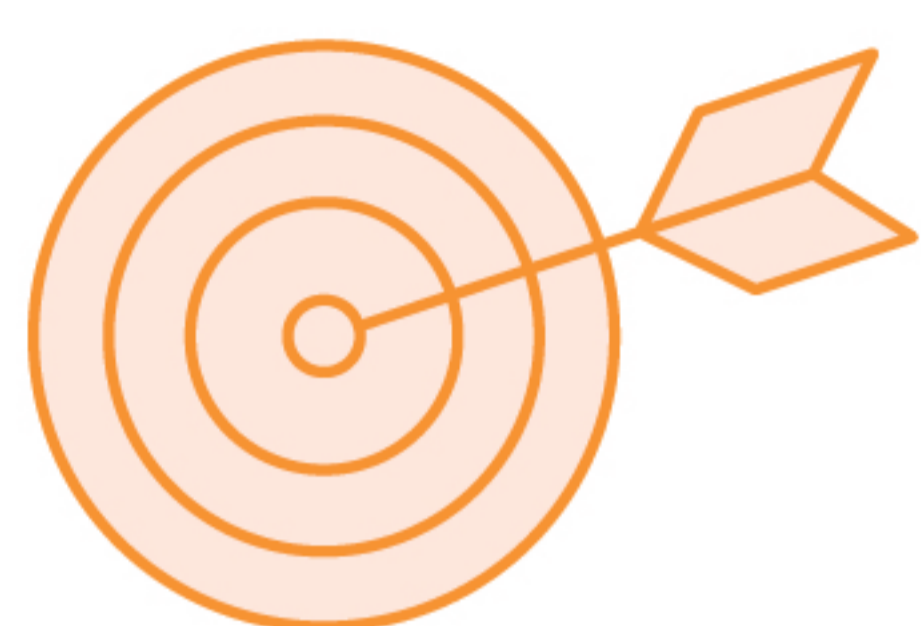

Idea Generation: 2-month intervals

(September 2020 – March 2023)

Prototype & Start-up: 4-month intervals

(September 2020 – January 2023)

Main Objectives

The programme aims to empower the disadvantaged population or public through participation in social innovation programmes as social innovators for alleviating poverty and social exclusion faced by the disadvantaged population.

Unique Features

- Empowering the disadvantaged groups to be social innovators
- A theme-based programme covering issues faced by the disadvantaged population
- A variety of activities e.g. competitions, briefing sessions and experiential workshops on different themes concerning disadvantaged population issues
- Customised support and training

Major Support Provided

- Application Stage: Service visits, experiential workshops, interviews with service users and social workers
- Implementation and Post-funding Stage: Individual consultations, support by professional implementation team, advisory and mentoring services, project monitoring and regular Business Network Meetings

Eligibility

- For idea generation: Disadvantaged groups or individuals aged 18 or above with no bankruptcy order or proceedings during the application
- For prototype & start-up: Organisations, disadvantaged groups or individuals aged 18 or above with no bankruptcy order or proceedings during the application

Specific Target Beneficiaries
