

# Innovator Farm

Social Innovation and Entrepreneurship Development Fund  
Innovative Programme

## Application Period

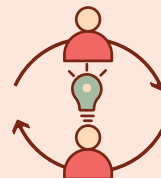

6 cohorts  
(2020 – 2022)

### Main Objectives

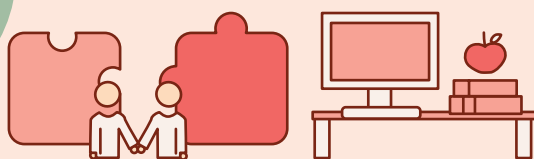

The programme provides young people with the necessary nutrition and environment to grow their social innovation dreams and explore all feasibilities through experimenting the “what if’s”.

### Unique Features

- An interactive and transformative approach to educate young people on social entrepreneurship and social innovation
- A friendly and supportive environment for young social innovators and companionship on their journey
- A series of incubation services
- A physical co-working hub for young social entrepreneurs to learn and grow together with peers

### Major Support Provided

- Systematic yet playful social entrepreneurship training
- Opportunities to pitch funders, partners and/or customers
- 6 to 24 months’ incubation with coaching and peer support
- Chances to network with stakeholders from social, business, education, government and other sectors
- Access to the physical co-working hub support

### Eligibility

Youth aged 15 to 25  
(Some members can be above 25 of age)
